FRQ PRESENTATION QUESTIONS

#13: Socialism

Compare and contrast the differences among Utilitarians, Utopians, Marxists, and Revisionist socialists in their critiques of 19th century European economy and society. (1988)

#14: The Year of Revolutions

Describe and analyze socio-economic, political, and nationalistic causes for the outbreak of revolutions across Europe in the “Year of Revolutions.” Cite specific examples from at least three of the uprisings of 1848. (O)

#15: Nineteenth-Century Nationalism

Compare and contrast the foreign policy goals and achievements of Metternich (1815-1848) and Bismarck (1862-1890). (2002)

#16: The Age of New Imperialism

Compare and contrast the motives for European overseas expansion during the Age of Discovery (15th and 16th centuries) and during the Age of New Imperialism (19th and early 20th centuries). (1982)
